23 March 2018

Maroubra Beach Precinct
PO Box 4207
MAROUBRA SOUTH NSW 2035

Dear Maroubra Beach Precinct,

Maroubra Beach Precinct Meeting 6 February 2018

Thank you for the minutes of this meeting of the Maroubra Beach Precinct. The Council notes the contents of these minutes.

Resolution 26022018(1):

The works for the removal of asbestos at Jack Vanny Reserve is being managed by Mr Todd Clarke who will be able to provide an update to the precinct in the next week or so.

Resolution 26022018(2):

The Precinct's concern have been passed on to the Rangers who will check the area. Residents are encouraged to call Council on 9093 6000 so Rangers can respond at the time of the issue.

Resolution 26022018(3):

Council is not the consent authority or the regulator of liquor licences and licensed premises under the Liquor Act 2007. These responsibilities are divided between the NSW Independent Liquor and Gaming Authority, Liquor and Gaming NSW and the NSW Police Force.

Nevertheless, Mr Allan Graham, Council's Coordinator Regulatory Projects has emailed our local Licensing Sergeant, Sergeant Nerida Pillay, requesting information on the liquor licence that is in place at the premises. Once this is received, we will update the precinct.

In respect to the consented use of the premises, the premises was approved as a "club" circa 1958 (and has operated as a Registered Club within the context of the Liquor Act 2007 and Registered Clubs Act 1976, and their respective previous legislative incarnations).

Since that time a number of consents have been granted for various works and modifications to the premises. None of these consents limit the hours of operation of the premises.

Council's Environmental Health team has recently addressed concerns raised by a resident in respect to noise from an event held at the premises.

Resolution 26022018(4):

The Precinct's resolution has been passed on to Mr Reece Heddle, Manager Aquatic Services, and Council thanks the precinct for your support.

Resolution 26022018(5):

The Precinct's concerns have been passed on to Council's Rangers.

Resolution 26022018(6):

Council has recently engaged a pool of casual Rangers to supplement the services of the existing team particularly in coastal areas and reserves.

Resolution 26022018(7):

Line marking has recently been completed on Moverley Road as reported by the Precinct.

Yours faithfully,

Amanda Mather
