'Entertaining and Educating Young Children' – Usborne Parents' Guides

This book is a great resource for parents of under fives. With it's easy to read and highly visual presentation it is a perfect go-to tool for encouraging creative play and exploration with readily available materials. While the book highlights the developmental stages and benefits of various types of play you won't need a degree in child development to understand it! You can find this book and others like it in our Parenting Collection.

'Feeding your Baby & Toddler, from first foods to family meals' by Annabel Karmel

A newly revised edition of Annabel Karmel's classic baby food cookbook. This book takes you through everything you need to know from weaning to fussy toddlers. Karmel's recipes are great for busy parents as they are delicious for the whole family to eat.
