Dear Randwick Precinct,

Randwick Precinct Meeting 5 September 2018

Thank you for the minutes of this meeting of the Randwick Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

Resolution 05092018(1):

Council is currently undertaking a strategic review of Randwick Junction Town Centre, to identify the strategic role of Randwick Junction in response to the population and employment growth and changing environment and infrastructure, such as the introduction of light rail and proposed hospital expansion.

A key component of the town centre review is to identify opportunities for public domain improvement and enhanced streetscape cohesion. The request from the Precinct to green Royal Randwick Shopping Centre will be considered and if suitable, will be incorporated into the town centre strategy.

The draft strategy, once reported to Council, will be placed for public consultation, anticipated to commence early-mid next year. Consultation activities will likely involve presentations to relevant local Precincts, community focus groups and drop-in sessions, etc.

Resolution 05092018(2):
