Dear Randwick Precinct

Randwick Precinct Meeting 6 February 2019

Thank you for the minutes of the Randwick Precinct, 6 February 2019. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

Resolution 06022019(2): *That Council consider extending Randwick Community Nursery opening hours to Saturday mornings.*

Approval is currently being sought for the Randwick Community Nursery to operate on the first Saturday of every month. It is unlikely the nursery will be open more than this given we need to meet the supply demands of Council as well as the public. If the Nursery is opened more frequently, stock shortages will become an issue.

Resolution 06022019(3): *That Council continue to plant shade trees along the footpaths along Avoca Street between Frances and Alison Roads, on the western side of the street particularly in from St Judes.*

The Precinct's request has been forwarded to Mr Joe Ingegneri, Manager Technical Services for consideration.

Resolution 06022019(4): *That Council consider implementing vision impaired street signage at traffic lights in the Randwick Town centre, particularly near the hospital's precinct.*

The Precinct's request has been forwarded Council's Strategic Planning team for consideration.

Resolution 06022019(5): *That Council provide further information to residents on energy saving initiatives.*

and

Resolution 06022019(6): *That Council continue including installations of solar energy panels on council buildings and communicate these sustainable initiatives with residents.*

Council's Sustainability Projects and Reporting Officer, Mr Sam Kelley will attend the Randwick Precinct meeting on 6 March to speak about Council's energy saving initiatives.

Resolution 06022019(7): *That Council continue with the rollout of bike rings in the smaller commercial centres.*

Council acknowledges the demand for bicycle parking in the LGA, and will deliver further o-rings and hoops in due course.

Resolution 06022019(9): *That Council improve the façade or frontages along Belmore Rd.*

and

Resolution 06022019(10): *That Council improve the maintenance and increase the planting of shade trees along Belmore Rd Randwick Town centre.*

The Precinct's request has been forwarded to Mr Joe Ingegneri, Manager Technical Services for consideration. Furthermore, Randwick City Council will be looking at tree planting opportunities as part of the future Randwick Junction Town Centre Study.

Resolution 06022019(11): *That Council urgently inspect unsafe awnings on Belmore Rd and 165 Alison Rd.*

Council's Health, Building & Regulatory Services have advised that on 18 February 2019 a DA was lodged to replace the awnings at 16-20 Belmore Road. See DA/94/2019.

Furthermore there is an approved DA for 1 Belmore Road (aka 165 Alison Road) to repair the awning outside of Simons Pharmacy. See DA/272/2018 and CC/441/2018.

Finally, Council has contacted the tenants of the Dance Hall at 2-6 Belmore Road to remove the banner attached to the awning over the footpath.

Resolution 06022019(12): *That Council investigate with Sydney City Council the verge gardens along Cleveland Street as a possibility for Belmore Road.*

The Precinct's request has been forwarded to Mr Joe Ingegneri, Manager Technical Services for consideration.

Resolution 06022019(13): *That Council find ways of communicating to cyclists the rules and regulations applying to cycling in Randwick.*

Council is currently drafting content to provide more information and helpful links on our cycling page on Council's website. The precinct's request can be added to the new content.

Resolution 06022019(14): *If pavements such as the ones in Avoca St and Alison Rd are to be shared with cyclists, the Precinct requests that Council mark them clearly with lines and good signage.*

Council will consider shared path requests on a case by case basis, and consider factors such as pedestrian flow, footpath width, bus stops, gradient and technical references.

Resolution 06022019(15): *The precinct invites an officer from Council to speak at our next meeting and give an update on recycling issues within Randwick.*

Dr Talebul Islam, Coordinator Strategic Waste Management will attend the Randwick Precinct meeting on 1 May to address the precinct on recycling.

Yours sincerely,

Amanda Mather
