## Roads Maintenance

### Road Opening Permit

No fee to be charged for permission to open roads.

### Conditions applicable to Restorations

Rates quoted 1.00m and/or 1.00 sqm are the minimum charges. Amounts over and above the minimum charges will be calculated in increments of 0.1m and/or 0.1 sqm. Where, in the opinion of the Engineer, the opening of the concrete pavement requires renewal of the whole slab, the opening shall be charged accordingly.

If unreasonable subsidence occurs as the result of improper consolidation of the back filling, a further charge will be made for additional work performed by Council.

Council's standard requirements for approval of openings, backfilling and compaction are to be observed.

All additional work required to be done by Council due to non-compliance with the standard opening requirements will be charged to the opening authority.

Costs associated with sweeping, general cleanup, removal and disposal of materials are included in the above rates.
