Dear Coogee Precinct,

Coogee Precinct Meeting 17 July 2017

Thank you for the minutes of this meeting of the Coogee Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

Resolution 18/17:

The permanent posts that have been installed at Coogee Beach for Beach Volleyball have a typical cross section (width) to provide the necessary structural stability required for a volleyball net. Generally, the slimmer poles are part of a temporary system that requires additional support from rope ties. The slimmer post with ties is not suitable as a permanent system. For installation in a public location, the existing posts are fit for purpose, will have suitable longevity and provide good value for money.

Resolution 19/17:

The Precinct's resolution is noted.

Resolution 21/17:

The Precinct's resolution regarding Judge Lane has been included as a submission as part of the consultation process.

Resolution 22/17:

The Precinct was supplied with information shortly after the July meeting and before the minutes were received by Council, so we trust the precinct has all the information it needs now in regards to the project.

Yours faithfully,

Amanda Mather
