

Kerbing and Guttering – Replacement of Stone Constructions Policy

Effective Date:	12 February 1980
Contact Officer:	Coordinator Engineering Services
TRIM Document Number:	D02130637

Objective

To retain and re-instate wherever possible, stone kerb and guttering.

Policy Statement

That, when any proposals for the replacement of old sandstone kerb or gutter in historical areas are being considered, an estimate of cost be provided for consideration by the Works Committee, giving alternative costs for replacement of sandstone with new or redressed sandstone and the question of the feasibility of replacing old sandstone gutters with stone, be specifically referred to so that a determination can be made in any particular case as to whether the retention of old sandstone kerb and gutter is warranted.
