Dear Randwick Precinct,

### **Randwick Precinct Meeting 7 June 2017**

Thank you for the minutes of this meeting of the Randwick Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

#### **Resolution 07062017(2):**

Council's Senior Environment Planning Officer, Ms Elena Sliogeris spoke to the Precinct's Chair.

#### **Resolution 07062017(3):**

The Precincts' request has been sent to the Development Assessment team. The Precinct will be updated as soon as a response is received.

#### **Resolution 07062017(4):**

Exact installation dates for the three bike racks on east side of Royal Randwick shops cannot be provided but they are expected to be installed in June or July 2017.

A rollout of 50-60 bike hoops/o rings on existing poles should also be completed by the end of August. Locations are varied, mostly around mall entrances and shopping areas across the council area. Belmore Road, Randwick will definitely be included.

#### **Resolution 07062017(5):**

The Randwick Literary Institute is now the subject of a NSW Aboriginal Land Claim 42494 lodged over all Crown Land in the Randwick Local Government Area on 19 and 23 December 2016 by the New South Wales Aboriginal Land Council.

The claim must be determined or the land excised from the claim by the New South Wales Aboriginal Land Council before the land can be transferred to Council.

The land was subject to two claims lodged by the La Perouse Local Aboriginal Land Council, which were assessed and refused in 2015 further to a submission from Council, however, this new claim must be assessed before any dealings can be undertaken on the land.

Yours faithfully,

Amanda Mather
