ARTHUR BYRNE RESERVE

# GEC CIRCUS OVERVIEW

## **MAXIMUM AREA DIMENSIONS**

1. The maximum area of space required by the circus during its occupation of the premise area is 100m by 100m.

## **CIRCUS TENT PLANS**

2. Please refer to attached documents
  - 2.1. Baytex plans;
  - 2.2. Site elevation documents

## **AMBULANT FACILITIES**

3. The Great Euro Circus will provide 9 ambulant facilities, designating the following ambulant facilities:
  - 3.1. 4 x female
  - 3.2. 4 x unisex
  - 3.3. 1 x disabled

## **AVERAGE AUDIENCE ATTENDANCES**

4. Based on our show records and history our average show attendance is between 300 - 400 patrons.

## **MAINTENANCE**

5. Maintenance on site will be restricted to the following hours:
  - 5.1. **10.00 am - 5.00pm**

## **SECURITY**

6. Please refer to the attached Statement of Environmental Effects, the Great Euro Circus has 24 hour permanent security patrol staff on site at all times. During any scheduled performance time, the Great Euro Circus has an additional 3 security staff that patrol the site from two hours prior to the scheduled show to one hour after any scheduled show.

## **SECURITY LIGHTING**

7. During after hours the Great Euro Circus has permanent illumination to the foyer tent, the main tent, ambulant facilities and walkways.

## **WASTE MANAGEMENT**

8. Please refer to the attached Waste Management Plan.
9. Further to our Waste Management Plan, the Great Euro Circus has three onsite skip bins and 8 wheelie rubbish bins (4 recycle bins, 4 general waste bins). The skip and wheelie bins are emptied every 2nd - 3rd day by our Waste Management contractor.

## **ANIMALS**

10. The Great Euro Circus has certification from the Dept of Agriculture for all of its animals in the show.
11. Please refer to our Aims and Objectives document and Statement of Environment Effects.
12. The Great Euro Circus has a strict policy on not having any exotic or caged animals as part of its circus and its production.
13. The only animals that are a part of the Circus production are:
  - 13.1. Gypsy Cobb Horses (x6)
  - 13.2. Miniature Ponies (x6)
14. All our animals have permanent access to our horse farrier, trainer, vet and handler.

## **SHOW RUNNING TIME**

15. The production time is (on average) 2 hours including a 15 minute intermission.

## **CAR PARKING**

16. Please refer to the Transport Management Plan.

## **FOOD AND BEVERAGES**

17. The Great Euro Circus prides itself in being Australasia's largest and most professionally run circus theatre production.
18. To this end, as part of its full service offering, the Great Euro Circus has a canteen and VIP circus canteen bar that provides a full service offering of food and beverages for sale as part of the theatre circus viewing and customer experience.
19. As part of the food and beverage offering, the Circus canteen and VIP circus canteen bar only operate at the following times:
  - 19.1. up to one hour prior to any scheduled show;
  - 19.2. during intermission;
  - 19.3. up to half an hour before the finish of any scheduled show.
20. As part of the food and beverage offering, the Great Euro Circus holds all relevant food, health and safety, beverage, and liquor licenses, permits and certificates. The Great Euro Circus has a strict policy of complying with all relevant and applicable laws, rules, regulations and policies in relation to the sale, service and preparation of food, beverages and liquor.
21. Please also refer to the Statement of Environmental Effects.

## **SITE VEHICLES AND ACCOMMODATION UNITS**

22. The Great Euro Circus has the following vehicles and accommodation units as part of its production set up:
  - 22.1. Cars - we will provide you with the number of on site vehicles in a separate document;

22.2. Transport vehicles and trucks - comprising 5 semi trailers and 20 trucks for transporting equipment and towing caravans;

22.3. Performer accommodation caravan units - 20 purpose built caravans providing site accommodation for performers and staff.

23. We note that once the vehicles and accommodation units are located on site, they are static and will not be moved on or off site until bump out. Accordingly, any vehicles required to transport staff from the site will be done primarily using taxis and off site vehicles.

**STAFF**

24. The Great Euro Circus staff comprises:

24.1.30 performers;

24.2. 20 staff.

We trust this sufficiently responds to your request for further information and documents.

Please do not hesitate to contact us should you require any further information or documents.
