Randwick Precinct
c/- 141/69 St Marks Road
RANDWICK NSW 2031

Dear Randwick Precinct,

Randwick Precinct Meeting 1 November 2017

Thank you for the minutes of this meeting of the Randwick Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

AGM and Election of Office Bearers:

The Council congratulates Mr Larry Vincent, Mr Bill Roberts and Mr Alec Walker on their election as Precinct Executives for the Randwick Precinct in 2018.

Resolution 01112017(1):

The Precinct's suggestions for the 2018-19 Draft Operational Plan and Budget have been forwarded to Karen Hawkett, Coordinator Integrated Planning and Reporting for inclusion in the Precinct submissions.

Resolution 01112017(3):

Council has no specific policy in relation to barking dogs associated with dog minding businesses. However, should Council receive a resident/customer concern regarding dog barking within a dog minding business, Council's Ranger would investigate the concern in the same manner as a concern reported regarding a barking dog kept at any premises.

In this regard, Council uses the legislation and provisions of the Companion Animals Act 1998 in relation to nuisance type behaviour caused by a dog/or dogs barking.

Should any resident wish to report a specific concern regarding a barking dog it is recommended the details of the concern be provided to Council's

Call Centre and the concern will be referred to Council's Rangers for investigation.

Furthermore, should there be concerns regarding the possible conducting of an unauthorised business at a subject premises, it is recommended that these concerns be addressed in writing to Council and the concern will be referred to the appropriate on-duty officer for investigation.

Resolution 01112017(4):

Works have been completed. The footpath was widened on the northern side of Darley Road to improve accessibility and width. In doing so a street light pole was relocated to the new extended kerb position. Council had to wait until several telecommunications companies relocated their services to the new pole before we could return to complete works. As mentioned the project is now complete.

Resolution 01112017(6), 01112017(7) and 01112017(8):

The Council thanks the Precinct for their acknowledgment and support.

Yours faithfully,

Amanda Mather
Community Engagement Coordinator
