Dear Clovelly Precinct,

Clovelly Precinct Meeting 5 February 2018

Thank you for the minutes of this meeting of the Clovelly Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

Resolution 05022018(1):

The Precinct's request has been forwarded to Council's Manager Integrated Transport, Mr Tony Lehmann for his consideration.

Resolution 05022018(2):

The Precinct's request has been forwarded to Council's Manager Technical Services, Mr Joe Ingegneri for his consideration.

Resolution 05022018(3):

Council inspected the trees along Beach Street and there were only two small dead trees (outside 12 and 16) along Beach St, Clovelly. Council's Tree Gang will remove those trees.

Council will plant a number of trees along both sides of Beach Street after 1 March 2018, which will be watered and maintained for a period of six months by the planting contractors.

Contractors also letterbox drop adjacent property owners when they plant new street trees requesting them to water and nurture those trees until they become established.

Regrettably, no amount of watering will save newly planted trees when they are hit with sporadic days of extremely hot and windy weather over a short period which seems to be becoming much more prevalent these days.

Yours faithfully,

Amanda Mather
