

Visitor/Tradesperson Parking Permit Guide & Application Form

Effective 1 July 2019 to 30 June 2020

ABOUT THIS GUIDE AND APPLICATION FORM

Use this application guide and form to apply for Visitor/Tradesperson Parking Permit. Please read this guide before completing the form.

HOW VISITOR/TRADESPERSON PARKING PERMITS WORK

1. Visitor/Tradesperson Parking Permits are available for residents living in Resident Parking Scheme areas.
2. Visitor/Tradesperson Parking Permits allow non-residents to park their vehicle beyond the signposted limit in Resident Parking scheme areas labeled "Permit Holders Excepted" signage.
3. There are multiple Resident Parking Scheme Areas in Randwick Council. Parking permits are issued for a specific area and are valid only within the area shown on the permit.
4. If the area number on their permit matches the area number on the street sign, your visitor or tradesperson (who displays a valid permit) is exempt from the time restrictions in that location.
5. Not all streets in your parking area will have parking spaces which exempt permit holders from time restrictions. A parking permit does not guarantee a parking space.
6. A parking permit does not exempt the vehicle from general road signs such as "No Parking" etc.
7. It is the driver's responsibility to carefully read any signs before parking their vehicle.
8. A maximum of two (2) concurrent Visitor/Tradesperson Parking Permits can be issued to a single residential property at any one time.
9. Permits are issued for a minimum of one (1) month to a maximum of three (3) months.
10. The resident must be the applicant for the permit, with the permit given to the visitor or tradesperson to display on their vehicle.
11. Permits are issued to the specific registration number of the visitor or tradesperson. A Visitor/Tradesperson Parking Permit cannot be transferred amongst different visitors or tradespeople who may be visiting your address.
