Dear Maroubra Precinct,

Maroubra Precinct Meeting 26 March 2018

Thank you for the minutes of this meeting of the Maroubra Precinct. The Council notes the contents of these minutes.

Resolution 24092018(2):

Footpath works along Maroubra Road between Anzac Pde and Garden St will be undertaken this financial year and include replacing the old concrete footpath on the southern side of Maroubra Road with brick paving to match into the area.

There are a number of sunken sections on both sides of Maroubra Road between Anzac Pde and Garden St that are a result of telecommunication upgrades. Council is aware of these and will be working with providers (NBN, Telstra and TPG) to reinstate damaged areas. These works can only be arranged once the service providers have paid the necessary fees for Council to undertake the restorations.

The Precinct's resolution is noted and has been forwarded to Mr Todd Clarke, Manager Infrastructure Services.
