

Significant Street Tree Removals – Public Notification Policy

Effective Date:	25 May 2004
Contact Officer:	Coordinator Tree Management
TRIM Document Number:	D02130664

Objective

To provide a method of public notification when significant street trees are to be removed by Council.

Policy Statement

That when significant street trees are to be removed by Council the following public notification take place:

- a) A prominent sign be erected near the tree to allow passing residents to be aware of the proposed removal;
- b) Adjoining residents be notified of the proposed removal; and
- c) The local precinct committee be notified and the exhibition and submission period be a minimum of two weeks.
