Dear Coogee Precinct,

### **Coogee Precinct Meeting 16 April 2018**

Thank you for the minutes of this meeting of the Coogee Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

#### **Resolution 10/18: Tree maintenance**

Council's Coordinator Tree Management Services, Mr Bryan Bourke is currently assessing Council's existing contract for tree planting and maintenance in order to address a number of issues, including the maintenance component. Mr Bourke is aware of the need to incorporate a much more adequate maintenance period into the tree planting specification.

Council has held over all tree planting this year between December 2017 and 1 May 2018 because of unseasonably hot and dry temperatures but planting has resumed now that things have become more conducive to planting.

These trees will be watered at least once a week until they become established and any that die within the first six months through lack of water will be replaced by the contractor at no cost to Council.

#### **Resolution 12/18: Coastal walkway**

The Precinct's request has been forwarded to Council's Coordinator Open Spaces to investigate and respond.

#### **Resolution 13/18: Jack Horner**

Council's Health, Building & Regulatory Services will conduct a night inspection to validate the noise concerns raised by the Precinct and report back in due course.

Yours faithfully,

Amanda Mather
