Dear Coogee Precinct

Coogee Precinct Meeting 18 March 2019

Thank you for the minutes of the Coogee Precinct, 18 March 2019. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

Resolution 12/19: *That on behalf of the Precinct Council seek a copy of the Sydney Water report to EPA of 2 June 2014 entitled Southern Beaches Overflow Abatement PRP 302.2*

The Precinct's request has been forwarded to Council's Manager Technical Services, Mr Joe Ingegneri to assist.

Resolution 13/19: *That Council provide information as to any follow up by Council re private certifier*

The Precinct's request has been forwarded to Council's Health, Building & Regulatory Services to provide an update.

Resolution 14/19: *That the Precinct understands Council is looking for a site for an underground waste disposal unit and suggests that Council talk to residents of Alfreda St about whether this approach would help address issues with commercial waste. Any such a unit would need to be some distance from the residents due to the noise of deposit and rubbish removal.*

The Precinct's suggestion has been forwarded to Council's Manager Waste and Cleaning Services, Mr Mark Bush, for his consideration.

Resolution 15/19: *That the Precinct note the signage had now been erected and looks forward to notification of the unveiling ceremony*

Council will be in touch with the Buchanan family to discuss.

Resolution 16/19: *With the recent loss of the big shade tree that Council erect a shade structure over the play equipment and seats and plant new trees to be chosen by the Buchanan family*

Council's Tree Management team will be in touch with the family to discuss appropriate trees to be planted. The request for a shade structure will be placed on the list of projects to be considered in a future capital works program.

Resolution 17/19: *That Council adopt the option of limiting short term rentals to no more than 90 days per year.*

Council's submission to the Department of Planning's proposed amendments to short term rental accommodation in November 2018 requested that the limit on the number of days that a dwelling can be occupied for short term rental should be no more than 90 days rather than 180 days, when a host is not present. This is considered to be more than adequate and strikes a balance between property owner's rights to let out premises and ensuring that the primary use of a premises remains as residential rather than tourist accommodation.

Yours sincerely,

Amanda Mather
