Dear Randwick Precinct,

### **Randwick Precinct Meeting 3 October 2018**

Thank you for the minutes of this meeting of the Randwick Precinct. The Council notes the contents of these minutes and I am able to provide you with the following information in response to resolutions of the meeting.

**Resolution 03102018(1):**

The Precinct's resolution has been noted and forwarded to Council's Integrated Transport team for their information.

**Resolution 03102018(2):**

The Precinct's request has been sent to Mr Joe Ingegneri, Acting Director City Services for his consideration.

**Resolution 03102018(3):**

From the draft minutes of the Randwick Traffic Committee meeting, 9 October 2018:

*The Randwick Precinct has advised the Traffic Committee that it believes that the passage stating that there "has not been major changes to the land use pattern in this area", is incorrect, noting that the St Basil's on St Pauls Street, Randwick, has been built on a site previously vacant. Mr Price advised the members of the Traffic Committee that, as St Basil's is a retirement village the impact of the development on the area's on-street parking is negligible and not considered a major change for the purpose of the RA1 study.*

Yours faithfully,

Amanda Mather
