ACTIONED TO: Tony Lehmann, Manager Integrated Transport

RESOLUTION NUMBER: 01052024(2)

Resolution:

Resolution 01052024(2): Follow up with the Council on previous motion to have a community consultation on any decision that is made to close Govett St Gates. Council not to close the gates without community agreement.

Previous resolution to Council that has not been responded to Resolution 06072022(2): Randwick Precinct does not support the permanent closure of the Govett Street gates suggested by council and requests that council continue to investigate the design of a pedestrian refuge in this location.

Council response:

In order to better understand the consequences of closing the Parkes Drive gate at the Darley Road / Govett Street intersection, Greater Sydney Parklands (GSP) has asked for a traffic analysis to be undertaken. GSP want to ensure that there are no unintended consequences arising from closing the subject gates. The Council has currently sought quotes from appropriate consultants to analyse the data.

Following an examination of the analysis, GSP will determine its position regarding the closure of the gates. GSP may require its own community consultation regarding the gates closure proposal.

We await their assessment of the gate closing option, before furthering our design/s.

ACTIONED TO: Frank Ko, Manager Development Assessments

RESOLUTION NUMBER: 01052024(4)

Resolution:

Randwick Precinct expresses concerns regarding a number of matters relating to DA/225/2024: water waste, water drainage, inadequate area infrastructure, inadequate deliveries arrangement, amenity of the residents, parking and increased traffic. Precinct insists on protection of the heritage facade facing The Avenue.

Council response:

The subject application is currently on public exhibition till 10 May 2024. All submissions received by Council including this resolution will be considered and addressed comprehensively in the assessment report. In relation to heritage, the subject building is a State heritage item and therefore has been referred to the Heritage NSW for review and Council will ensure any heritage issues raised by the Heritage NSW being addressed in the assessment report.

If the Precinct members have any questions or further concerns, please feel free to contact me on 9093 6965.
