9. Guest Speaker	<p>Q&amp;A with Guest Speaker – Ted Plummer, Special Adviser Government and Community Relations, Sydney Airports. Ted briefed residents about the latest Sydney Airport-related issues.</p> <p>Post Covid the airport is back to 80% capacity – during Covid it was 1%, therefore residents have noticed the resumption of flights. East-west runway is the one affecting the Spot and Coogee, it is 1% of flights but if weather is an issue it is used. Since 1997 there has been “noise sharing” which means they maximise the flight paths over water and non-inhabited areas. The Sydney Gateway project aimed to be completed 2024 will be a toll-free connection from St Peters Interchange to the International and Domestic Terminals and beyond. <a href="https://caportal.com.au/rms/sydney-gateway">https://caportal.com.au/rms/sydney-gateway</a></p> <p>International traffic is steadily growing being driven by Chinese Tourism which has gone from 1% to 85% - huge growth is expected. Western Sydney airport should be open 2026 at which time there will be a dip in traffic for Sydney airport for a while.</p>
9. General Business	<p>General Business:</p> <ul style="list-style-type: none"> <li>(i) Advertising flyers for letterbox drop and an advert in The Beast to be investigated. Katrina will investigate and bring back some recommendations.</li> <li>(ii) NAIDOC Week 2-7 July. Precinct support for Yes campaign following Randwick Council decision 27JUN23. Discussed and the outcome was that information would be shared as it is received.</li> <li>(iii) Recent Traffic Committee outcomes: <ul style="list-style-type: none"> <li>• Albion St (near Carrington Rd intersection) new bus zone signage (am/pm school days) TC63/23.</li> <li>• Temporary relocation of bus stop (Clovelly Road/Carrington Road) for pocket park works TC67/23.</li> <li>• King Street delineated angle parking &amp; increased motorcycle</li> </ul> </li> </ul>

	<p>parking TC71/23.</p> <p>(iv) Past resolutions need following up as it appears a few are still outstanding – Govett Gates, undergrounding of wires at The Spot and angle parking for Market Street &amp; St Marks Road. Katrina to compile a list.</p>
