Limited Space.

This forum provides an opportunity for local services and community members to come together and work towards improving knowledge gaps and fostering inclusive communities.

Highlights:

- Hear from Anti-Discrimination NSW about how to recognise and report discrimination.
- Learn from Police Engagement & Hate Crime Unit about supporting victims of hate crime.
- Hue will speak on how racism in the workplace can affect mental health.
- Learn how to access bystander training.
- Explore local initiatives that foster inclusive communities.
