**MEETING
DATE:** 22 January 2025

FILE: F2004/07372

ACTIONED TO: Roxanne Fea, Manager Economic Development and Placemaking

**RESOLUTION
NUMBER:** Resolution MAL20250122-A

Resolution

There is a suggestion to approach Randwick City Council under the community cultural program to create a "Malabar Movie Night" during the Summer Season to be held in Pioneer Park, as an annual community event. Initial investigations have suggested the cost of a reasonable outdoor screen, audio and staging staff to cost Est \$6000.00

The movie selection could follow a theme, new release or be associated with an event?

Resolution – MAL20250122-A: The Precinct requests RCC to investigate options/feasibility for such a community event to be included into the 2025 Summer program or earlier (if feasible).

Council Response

Thank you for the idea. We will look to align your proposal with one of our community events or activations held in Pioneers Park. We will look at the allocated budget for these events and see if we can incorporate this suggestion.

ACTIONED TO: Todd Clarke, Director City Services

**RESOLUTION
NUMBER:** Resolution MAL20250122-B

Resolution

Resolution – MAL20250122-B: That Council expedites the [BMX Pump Track at Malabar] project and commences a period of consultation by the end of March 2025 as follows:

- a) On the proposed location – Cromwell Park noting the absence of any previous consultation
- b) On the Alternate location – Upper Pioneer v Cromwell Park
- c) If available the revised concept design for Cromwell Park so that the community can evaluate

It is noted that the Chair requests a council representative to attend the March meeting to brief the members of the status.

Response

A meeting will be facilitated with the Malabar Precinct Executive in March 2025.

The consultation program for Council adopted projects will be discussed.

A Council Officer has also agreed to be in attendance at a future Precinct Meeting to discuss the pump park project.

**RESOLUTION
NUMBER:** Resolution MAL20250122-C

Resolution

Resolution – MAL20250122-C: That council observes the motion at council [NM87/24] and commences work on the POM for Malabar immediately, if this is not possible to update the Councillors at the next General Meeting on motion NM87/24 and schedule a meeting with the Precinct Executive and General Manager to negotiate an acceptable schedule.

Response

The Director City Services will meet Malabar Precinct Executive to discuss Council's current PoM program as adopted by Council in March 2025.

The process for matters arising on a Council Business Paper Agenda will also be discussed.
