**MEETING
DATE:** 02 June 2025

FILE: F2006/00657

ACTIONED TO: Tony Lehmann, Manager Integrated Transport

**RESOLUTION
NUMBER:** Resolution 02062025(1)

Resolution

Resolution 02062025(1): Daunt Ave and Franklin St pedestrian crossing at lights across Bunnerong Ave. Can council look at the extension of the walk signal time, especially Daunt Ave lights as now medical centre across the other side of the road. People don't get time to complete the crossing before turning arrow goes green.

Council response

As Bunnerong Road is a state road under the care and control of Transport for NSW (TfNSW), a request has been sent to the TfNSW representative regarding the extension of the walk signal time.

MEETING DATE: 02 June 2025 **FILE:** F2006/00657

ACTIONED TO: Duncan Scott, Manager Ranger Services

RESOLUTION NUMBER: Resolution 02062025(3)

Resolution

Resolution 02062025(3): Warehouse at 86- 88 Perry St – Constantly fork lifts are being used to move pallets off the back of the truck across public pathway. Trucks are parked out the front of the footpath with forklifts used to unload. Forklifts are driving over the pathway without any traffic management. Residents are concerned that crossing public pathway without any traffic management.

Council response

Council Rangers have undertaken patrols of the location and spoken with the relevant business reminding them to adhere to traffic management conditions detailed in their consent DA/283/2019. The business operator has been reminded to ensure that appropriate traffic and pedestrian management provisions are in place where appropriate. Council Rangers will continue to patrol this location.

ACTIONED TO: Joe Ingegneri, Manager Technical Services

RESOLUTION NUMBER: Resolution 02062025(4)

Resolution

Resolution 02062025(4): Previous Resolution: Barwon Park Replacement of Blown Lights. This resolution previously raised with council (Resolution 13022023(3) to date no action lights still out). Lights at Barwon Park still not working. Resident has advised me that this is still outstanding after all these years. The resident is an elderly lady and says that she has asked for it in the above. Could council please investigate if the lights are not working.

Council response

A night inspection of all the solar lighting along the paths within Barwon Park has been scheduled to identify lights that are not working. The inspection will be undertaken within the next 2 weeks.

Any lights that are not working will be referred to our maintenance team to arrange the replacement of the lamp, battery or solar panel. Due to the nature of the stated repairs and the requirement for parts, the repairs may take 4-6 weeks.
