Do you know how to become a COVID Safe business?

1. Complete a COVID-19 Safety plan

This protects your staff, customers and visitors as you get back to business. You may be required to complete one under the NSW Government's public health orders.

2. Register as a COVID Safe business

As a COVID Safe business, you will be able to show customers that you are committed to keeping them safe.

3. Show that you are COVID Safe

Download and display your COVID Safe posters so your customers feel confident.

See our website for more information on how to become a COVID Safe business.
