What happens to FOGO?

Complete the sentence with the words below:

- bin
- trees
- food
- shells
- caddy
- green
- truck
- peels
- compost
- waste

All your _____ waste, such as your orange _____ or egg _____ go in your kitchen _____ and then into your FOGO _____ with the _____ lid. Council's FOGO _____ comes and picks up your organic _____ from your bins. The material is taken to a processing facility, and it is turned into _____ that can be used to grow more _____. And so, the cycle starts again. It's the circle of life! Eat more food, make more compost and grow more trees.

ANSWERS

All your **food waste**, such as your orange **peels** or egg **shells** go in your kitchen **caddy** and then into your FOGO **bin** with the **green** lid. Council's FOGO **truck** comes and picks up your organic **waste** from your bins. The material is taken to a processing facility, and it is turned into **compost** that can be used to grow more **trees**. And so the cycle starts again. It's the circle of life! Eat more food, make more compost and grow more trees.
