Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|
| • Avoca Street – 4 parking spaces | • McLennan Avenue – 5 parking spaces |
| • Cowper Street – 3 parking spaces | • Monmouth Street – 6 parking spaces |
| • Fraser Street – 2 parking spaces | • Randwick Street – 2 parking spaces |
| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |
| • Market Street – 9 parking spaces | • Waverley Street – 1 parking space |

We expect that these new parking signs will be installed within the next 3-4 weeks. Following the installation of the signs, there will be a further two week grace period to allow eligible residents to apply for a Resident Parking Permit. Applications may be made at the Council's Customer Service Centre, located at:

30 Frances Street, Randwick. The office hours are 8.30am-5.00pm, Monday to Friday.

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

|-------------------------------------|--------------------------------------|

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|
| • Avoca Street – 4 parking spaces | • McLennan Avenue – 5 parking spaces |
| • Cowper Street – 3 parking spaces | • Monmouth Street – 6 parking spaces |
| • Fraser Street – 2 parking spaces | • Randwick Street – 2 parking spaces |
| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

|-------------------------------------|--------------------------------------|

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

|-------------------------------------|--------------------------------------|

| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|

| • Cowper Street – 3 parking spaces | • Monmouth Street – 6 parking spaces |
| • Fraser Street – 2 parking spaces | • Randwick Street – 2 parking spaces |
| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|
| • Avoca Street – 4 parking spaces | • McLennan Avenue – 5 parking spaces |
| • Cowper Street – 3 parking spaces | • Monmouth Street – 6 parking spaces |
| • Fraser Street – 2 parking spaces | • Randwick Street – 2 parking spaces |
| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

Dear Resident,

RE: Outcomes of recent Resident Parking Survey for Area RA6

Randwick Council recently surveyed Randwick residents (Area RA6) to see if there was support for the introduction of Resident Parking Scheme (RPS) in their street, we thank those residents who responded.

Of the twenty streets surveyed in RA6 Area, the majority of respondents from ten streets were in favour of expanding the Scheme within their street. As a result, the Council has approved the expansion or introduction of the Scheme into those streets. This will result in new parking restrictions applying to some of the parking spaces in the locations indicated below:

"2 Hour Parking, 8:00am-6:00pm, Mon-Fri, Permit Holders Excepted, Area RA6"

- | | |
|-------------------------------------|--------------------------------------|
| • Avoca Street – 4 parking spaces | • McLennan Avenue – 5 parking spaces |
| • Cowper Street – 3 parking spaces | • Monmouth Street – 6 parking spaces |
| • Fraser Street – 2 parking spaces | • Randwick Street – 2 parking spaces |
| • Hodgson Street – 3 parking spaces | • Stanley Street – 6 parking spaces |
| • Market Street – 9 parking spaces | • Waverley Street – 1 parking space |

We expect that these new parking signs will be installed within the next 3-4 weeks. Following the installation of the signs, there will be a further two week grace period to allow eligible residents to apply for a Resident Parking Permit. Applications may be made at the Council's Customer Service Centre, located at:

30 Frances Street, Randwick. The office hours are 8.30am-5.00pm, Monday to Friday.

Application forms and information about the Resident Parking Scheme can be found on the Council's website <http://www.randwick.nsw.gov.au/services/parking/parking-permits>.
