Guiding Principles of the Delegations Register

1. The Delegations Register applies to the people employed in organisational positions by Randwick City Council in a fulltime, part-time, casual or temporary capacity. Where a position title referred to in the Register changes, then any reference to the former position title shall be read as a reference to the new position title.
2. The Delegations Register is structured as follows:
 - Each delegation, sub-delegation, appointment or authorisation (as the case may be) is allocated a;
 - reference code
 - category/sub-category
 - title (or short description)
 - detail (detailed description)
 - legislation, Council policies and other documents (which are of relevance to the exercise of the delegation).
 - The Register identifies the organisational positions 'Position Title' (described in the 'detail' as the "Position holder") and the Council 'Division' for that position granted the particular function, appointment or authorisation.

3. Delegations must be exercised in accordance with all relevant Council policies and procedures and are subject at all times to the direction of the position holder's Manager or Director. All delegations are to be exercised in accordance with the principles and standards set out in Council's Code of Conduct.
4. All employees are required to sign an acknowledgement of the delegations allocated by this Register to their position.
5. Where an employee is acting in a position that has powers delegated to it, the person acting in that position can exercise the powers of the delegate. The person going on leave has a responsibility to hand over the delegations associated with the position before going on leave.
6. No position title, named as having the authority to exercise a function under this Register, has the power to delegate that authority to a different position.
7. If legislation referred to in this Register is superseded by updated or new legislation, to the extent practicable, the new legislation will apply to the delegations.
8. All dollar figures referred to in these delegations are inclusive of GST unless otherwise stated. Care is needed to ensure any expenditure/tender limits are not exceeded.
9. These delegations remain in force until the General Manager directs in writing otherwise.
10. If you cannot find a delegation in the Register then the power has not been delegated to a staff position and, therefore, remains with the General Manager or the Council (as the case may be).
11. Positions are identified in the Delegations Register to allocate authorities and responsibilities and do not indicate a position's standing in the organisational structure.
12. The Delegations Register is position based and available to the public.
13. The provisions of the *Interpretation Act 1987* apply to these delegations.
14. The following 'guiding principles' apply to the Expenditure delegations detailed in Section 4 of the Register:
 - a. Expenditure limit Delegations are applied according to the tiered bands of the organisational chart.
 - b. The position holder can only approve expenditure within the council approved budget that they are responsible for.
15. For all Council staff (including permanent, part-time, casual and temporary positions) the position holder is authorised to exercise the functions of the Council position to which the position holder is appointed in accordance with:
 - The job description for that position
 - The Local Government Award
 - Relevant council policies
 - The direction of Council management staff.
16. Unless specifically delegated to a subordinate staff member by the General Manager, each Director's and Manager's delegations will automatically include all the delegations of their respective Managers and/or staff. Those matters that are specifically delegated to a staff member are:
 - Complaints Coordinator (for the purposes of the Code of Conduct)
 - Disclosure Coordinator (for the purposes of the Public Interest Disclosures Act)
 - Disclosure Officer (for the purposes of the Public Interest Disclosures Act)
 - Local Emergency Management Officer
 - Public Officer
 - Responsible Accounting Officer; and
 - Native Title Manager.
