

You are cordially invited to a

Domestic Violence Community Vigil

Wednesday 1 May

12-1pm

**High Cross Park
Avoca Street
Randwick**

No RSVP necessary
Light Refreshments provided

The first Wednesday in May is DV Remembrance Day.

In Australia, one woman is murdered each week by someone known to her. Join us at this vigil, to honour those women who have lost their lives due to domestic and family violence.

Please share this invitation to support community participation. The vigil will include speeches, a minutes silence and laying of roses.

This event is a partnership between Randwick Council and local domestic violence services.
