Bays & Beaches Precinct Committee 20/08/2025	Fea, Roxanne	Precinct Resolution	150522/25	Resolution 20082025(1) - First Nations Cultural Precinct, info event and consultation
RESOLUTION (Committee) The Precinct noted the Randwick City Council and La Perouse Local Aboriginal Land Council proposal to transform the La Perouse Museum and surrounding headland into a dedicated First Nations Cultural Precinct, co-designed with and led by the local Aboriginal community. In view of the development cost (\$99 million estimate) and recurring operational expenditure (unstated) of the proposal, and its scope and impact on both the La Perouse Museum and the La Perouse headlands, the Precinct requests that Randwick Council organise: 1. A community information event where the proponents can explain the proposal to the South Ward community and listen to resident feedback. 2. A consultation process to allow Randwick City residents to offer feedback as the proposal progresses and to address the future of the La Perouse Museum and the La Perouse Headlands in general. COMMENTS:28 Oct 2025 12:42pm Fea, Roxanne - Completion Completed by Fea, Roxanne (action officer) on 28 October 2025 at 12:42:17 PM - Replied to Precinct 28/10/2025 D05908476, IN summary reply as: , Thank you also for the invitation to the Bays and Beaches Precinct meeting held 15 October 2025 at the Prince Henry Centre, attended by the General Manager, Director Community and Culture, Head La Perouse Museum and myself. , In response to the above Resolution, as outlined in the presentations and responded to by the General Manager, the First Nations Cultural Precinct at La Perouse was endorsed by Council as a vision in principle prior to seeking funding, undertaking consultation and collaborative strategic, concept and master planning. , Community and stakeholder consultation will be an important part of this process, and this will include the opportunity for residents to provide feedback during this lengthy process. Information sessions may be included as part of the consultation framework. , We will keep all Precincts including the Bays and Beaches Precinct informed as this project develops, and we further appreciate the feedback from your members at the recent meeting.
