Work on the pedestrian bridge over Anzac Parade, Maroubra from Monday 19 December

The NSW Government is funding this essential maintenance work between Moverly Road and Storey Street to improve safety for pedestrians.

Roads and Maritime Services will carry out the work, which includes repairing and refurbishing the existing lifts. We have included a map to explain the location of the work.

This work will take 48 shifts to complete between Monday 19 December 2016 and Saturday 11 February 2017, excluding Sundays and public holidays, weather permitting. Our working hours will be from 7am to 6pm between Mondays and Fridays and 8am to 1pm on Saturdays.

How will the work affect you?

There will be some noise associated with this work.

There will be changes for pedestrians during this work. Pedestrian access will be via the stairs on the pedestrian bridge or via the traffic lights at Moverly Street.

Access to bus stops in the work zone may be affected during this work. Traffic controllers will be on hand to direct commuters to alternate bus stops.

Street parking in sections of the work zone will be unavailable during some shift hours.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
