

# Tree Permit Application

Environmental Planning & Assessment Act 1979

## APPLICATION/REFERENCE NUMBER:

### ABOUT THIS FORM

Effective 1 July 2018 to 30 June 2019

Use this form to apply for a permit to:

- Undertake minor tree works (excluding major pruning and removal) of private trees listed on Council's Significant Tree Register or located within a Heritage Conservation Area, where those works will **not** have an impact on heritage significance or amenity.; and
- Prune or remove any other trees growing on private property (excluding those exempt from requiring approval as detailed on Council's website)

This form cannot be used for tree works that require a Development Application, or for pruning or removal of trees on public land.

You will need to lodge a Development Application for Tree Works if you wish to **remove** or **significantly prune** any tree that is on Council's Significant Tree Register, has heritage value or is in a heritage conservation area.

If you wish to remove a tree or trees that have been conditioned to be retained as part of an approved Development Consent, you are required to apply for a Section 96 amendment to your Development Consent.

## PROCESSING DETAILS

The processing period for applications is approximately four (4) weeks. During this period a Council tree officer will inspect the site and if necessary will advise neighbouring tree owner/s of any approved tree works. At the conclusion of the inspection and assessment process a written Determination letter will be forwarded to the applicant or property owner. Council will prioritise applications accompanied by a qualified arborist's report detailing any elevated risk or potential danger associated with a protected tree.

Any consent issued as a result of this application is not a directive or Order and does not oblige the owner to undertake the consented works. The consent is valid for twelve (12) months from the date on the determination.

## REVIEW OF DECISION

Any applicant who is dissatisfied with Council's decision can request a review by completing a *Review of Determination of a Tree Permit Application* form and lodging it with Council. The application must outline the reasons for seeking the review and attach any relevant **new** information. This information should include documentation such as a detailed arborist's report, a structural engineer's report and/or a plumber's report with diagrams of any affected/damaged pipes and/or underground services.
