ROAD CLOSURE DETAILS

Is it proposed to close or block off any part of the road and/or footpath?

☐ Yes ☐ No

All applications to fully close a Council owned road require the prior approval of the Traffic Committee. Please note, the process of approval may take in excess of one (1) month.

A detailed *Traffic Management Plan* must be submitted to Randwick City Council for the following:

1. A full road closure on a Council Road
2. A full or partial closure on State Road

Relevant approvals and licences must also be obtained from all relevant Authorities, including the Roads & Maritime Services, NSW Police and Sydney Buses.

SKETCH PLAN OF THE AREA REQUIRED WITH DIMENSIONS

Please provide sufficient details to identify the area required. Label the location and include dimensions and street names.

If your site is on a State Road or within 100 metres of a State Road or traffic signals you will require Transport for NSW approval. Please contact Transport for NSW on 13 17 00.

NOTES

- This is an application only.
- As such you are not permitted to operate a crane, hoist or concrete pump etc over a public footway or roadway until written approval is given by Council.
- Council may require additional information regarding the proposal and impacts upon the operation of roadways and pedestrians, prior to determination of the application.
- Fast track applications will be processed within 48 hours, subject to submission of full details of the proposal and the suitability/impact upon vehicular traffic and pedestrians.
- Council will endeavour to process all applications as soon as practicable. However, applications for activities which impact upon the use and operation of public roadways or public safety may take longer to be assessed and applications should be made at least 10 days in advance of the proposed date/s.
- Applications/requests to modify the proposed date of the activity must be submitted to Council in writing and are subject to payment of the relevant application amendment fee.

PUBLIC LIABILITY AND INSURANCE

A Public Liability Insurance policy must be in place for the scope and duration of the activity, having a minimum liability of \$10 million, prior to the placement of the crane, hoist or pump in a public place.
