ABOUT THIS FORM

Use this form to apply for a pre-lodgement consultation service to discuss a development proposal.

The pre-lodgement service provides a meeting with relevant Council staff to give early comment on a development proposal. A letter outlining issues that will need to be addressed will be provided via email after the meeting.

Electronic plans and supporting information must be lodged with the pre-lodgement application form. The more information you provide at this stage, the greater the assistance that can be provided by Council staff.

DISCLAIMER

The comments and views provided will be based on the plans and information submitted for preliminary assessment and discussion at the pre-lodgement consultation. Whilst every effort is made to identify issues of relevance and likely concern with the preliminary proposal, you are advised that:

- The views expressed may vary once detailed plans and information are submitted and formally assessed in the development application process, or as a result of issues contained in submissions by interested parties;
- Given the complexity of issues often involved and the limited time for full assessment, no guarantee is given that every issue of relevance will be identified;
- Amending one aspect of the proposal could result in changes which would create a different set of impacts from the original plans and therefore require further assessment and advice;
- The pre-lodgement advice will not in any way bind Council officers, elected Council members, or any other parties involved in the assessment or determination of development applications

COPYRIGHT DISCLAIMER

The Government Information (Public Access) Act (GIPA) provides that anyone may inspect, free of charge, certain documents held by a council. GIPA provides that a right to inspect a document under the Act includes a right to take away a copy of the document, whether free of charge or subject to reasonable copying charges.

It follows that anyone has a statutory right to inspect certain documents, subject to GIPA, and to take away copies. A council complying with its obligation under GIPA does not breach copyright law. However, a person who through this process obtains a copy of survey or other plans subject to copyright would be in breach of copyright law if those plans were later used in a way adverse to the interest of the holder of the copyright.

If you do copy, reproduce, republish, upload to a third party, transmit or distribute in any way plans, building specifications or other documents subject to copyright, contrary to the provisions of the Copyright Act 1968 (Cth) you will be taken to have indemnified Randwick City Council against any claim or action in respect to breach of copyright.
