## Resolution:

Resolution 06092023(1): Randwick Council to consider pedestrian safety on Frenchmans Road at the Kemmis Street & Roscrea Avenue intersection. The Precinct notes the road safety improvements at Kemmis Street for pedestrians heading east/west along Frenchmans Road. Precinct also notes there are non-operational bus stops on either side of Frenchmans Road that may be useful in planning any pedestrian refuge.

---

## Council response:

Frenchmans Road is a State Road and is under the care & control of TfNSW. Accordingly, we have forwarded this request onto Council's TfNSW representative.

We have asked that they provide a response directly to Randwick Precinct, with a copy also being forwarded to the Council.
