# Swim School Enrolment Policies and Information

- Re-enrolment for all existing Learn to swim clients commences in week 7 and continues in week 8 of the school term. If you do not re-enrol during this period we will assume that you have withdrawn from the program and your place will be offered to someone else.
- Week 9: wait lists will start to be processed
- Week 10: change of days / times and registration of any siblings of current enrolments.
- New enrolments commence after Week 10.
  - Swim School fees **ONLY** cover the term lessons **NOT** additional Aqua Play before or after the lesson.
  - Credits will only be given for children who are sick and provide a medical certificate. A maximum of 2 sick day credits per enrolment will be credited toward the following terms fees and are **NON-REFUNDABLE**. Medical certificates will only be accepted for the current or previous term.
  - Assessments are carried out throughout the term. The instructor will notify our supervisor when a child is ready and an assessment will be conducted. If a vacancy does not exist for the child to move up a grade then they will be placed on a waiting list and notified when the position becomes available.
  - Please be aware that wait lists are only for children who are in our program and have completed an assessment. If you wish to change days or lesson times and a vacancy does not exist, you will need to keep in contact with the swim school reception to see if a vacancy arises in your specified class.
  - We guarantee your class, the level and the time but in the event of circumstances beyond our control we reserve the right to change teachers without notification.
  - No makeup lessons are available.
  - It is a condition of entry that all students not toilet trained wear Little Swimmer Nappies and fitted swim wear over the top to assist with containment if an accident should occur.
  - A swim school tag will be issued upon enrolment. Please scan your tag at reception prior to each lesson. Please retain this card for all future lessons.
  - Notification of cancellation must be requested in writing and will become effective as of that date. Refunds may be considered but not guaranteed.
