1. Attendees: Residents in attendance: Bill Brennan (Chair), John Duffy, Martin Venier, Lori St John (minute taker), Edward Osbourne, , Aaron Magner (North Ward Councillor), Mary Henning, Kara Taylor (Randwick Council), James Dunlop (Randwick Council)

2. Apologies: Juliet London, Juliet Munro, Clare Willington (North Ward Councillor), Don Munro

Tribute to Nick Herd:

Bill informed the meeting of the recent death of a long-time active member of the Precinct, Dr Nick Herd. Nick was a regular attendee at our meetings and always contributed very effectively to many of the issues under consideration. Very notable was his advocacy for the maintenance and improvement of the Dog Off Leash section of the Burrows Park when the redevelopment was being considered. He was also very strong in his support for greening of the Precinct and tree preservation. Nick's regular positive contributions will be very much missed.

Presentation on the Draft Resilient Randwick Strategy 2026-2036 and the Draft Synthesis Report

The meeting was addressed by Kara Taylor and James Dunlop from the Council's Resilience Team who have been working on the completion of, the adoption by Council and implementation of the strategy and report. They have undertaken an extensive period of research and consultation with a high level of engagement from all the sectors effected by the strategy. This has included the councillors and council staff, local businesses, local organisations such as schools, hospitals, universities and local community groups. Durin and after the presentation Kara and James answered questions from the precinct members. It was a very informative and productive presentation.

3. Declarations of Interest.

Nil

4. Minutes of the December 8th 2025 meeting:

Corrections: Nil

Receipt and adoption:

Moved: John Duffy

Seconded: Lori St John

5. Matters Arising:

5.1 Resolution 10112025(1)

The steps that lead from Tower Street to Gordons Bay

Amanda Mather sent the following response to the November resolution:

I have been advised the following in relation to Resolution 10112025(1):

There are no planned works at this location, I have consulted with the other departments (Engineering/Infrastructure), if any works are scheduled, we have asked that the mosaics be retained in their current form.

The committee discussed the state of the stairs and felt that there were issues with safety. The following resolution was proposed:

Resolution 09022026(1)

That the Randwick Council review the safety of the stairs that run from Tower Street to Gordons Bay and investigate the provision of a rail on the left descending.

Moved: Edwin Osbourne

Seconded: Martin Venier

5.2 Local Transport Forum meeting

There was discussion about the imposition of restricted parking in Boundary Street, from Andrew Street to Park Street on the northern side. It was observed that some of the vehicles that were parked in that area have just moved further east on Boundary Street causing a reduction in local parking and a visual eyesore. It was proposed to seek a review from Council.

Resolution 09022026(2)

That Randwick Council consider the imposition of the same parking restriction it has imposed on Boundary Street from Andrew to Park streets, to the remainder of the eastern section of Boundary Street.

Moved: Martin Venier

Seconded: Lori St John

Carried

5.2 Use of the Precinct budget

Due to unforeseen circumstances Bill did not take up Zoa Mendez's offer to develop artwork for a letter drop or fridge magnet. Amanda Mather has organised the document and we will have the dates of the year's meetings sent to all residencies in Clovelly.

6. Resolution Sheet update:

Bill reported on the present Action Sheet with the responses to a number of resolutions still outstanding

7. Correspondence Incoming and Outgoing

Incoming:

7.1 Significant Tree Register *Have Your Say*

Bill submitted the Precinct's nominations for the Significant Tree Register. We will await the outcome of the survey.

8. Treasurer's Report

The balance is \$4807.07

9. Reports from Randwick Councillor/s

Clare Willington was an apology for the meeting.

Aaron Magner: Aaron gave an update on matters before Council

10. General Business

10.1 Meeting Minutes and Agenda

There was some discussion about recording the business of the meeting and a number of suggestions were put forward. A trial use of Campaign Manager by Bay and Beaches Precinct to send emails regarding agenda and minutes has been completed.

Amanda Mather has offered to assist Bill in introducing it for Clovelly Precinct

10.2 E-bike parking in the precinct

At the February Council meeting the Councillors are going to consider the report on the Management of Shared E-Bikes, with a number of recommendations including preferred parking locations in certain areas of heavy use.

The meeting resolved to write to Clovelly precinct members to seek their views on where they believe the preferred parking locations should be in our precinct.

We will then pass them on to council for their consideration.

10.3 Affordable Housing

There was a general discussion about the Council's capacity to assist in the provision of affordable housing as part of its Resilient Randwick Strategy.
