

Randwick Precinct Meeting Minutes – 6th November 2024

Welcome:	Meeting opened at 7:07pm once quorum was achieved
1. Attendance:	Carmen Avilla, Elena Gildina, Mary Gallagher, Helen Gallagher, Rob Mason, Jonathan Milford, Tara Roach, Paul Chilcott, Kathy Nielson, Christine Carrington Riza Veloso-Vaughan (observer)
2. Apologies:	Katrina Drewer, Clare Willington, Aaron Magner
3. Declaration of interests:	None
4. Confirmation of previous minutes:	Confirmed
5. Correspondence:	In coming correspondence from RCC regarding using noticeboards for Precinct Flier as discussed at October meeting: - “I just heard back from the Venues team, and they have let me know that unfortunately you aren't able to use the noticeboard at Barrett House - it's reserved for that team's use. - “Good news! The light up noticeboard at The Spot can be used for your flyers - we have both access and the ability to manage content on that one. I'll make a note that when your Precinct's flyer is updated for 2025, I can run one down to The Spot and pin it up for you!” - Resolution 01052024(3)-pedestrian facilities in Darley Road at Danger Street, Randwick “Dear Randwick Precinct, I am writing in response to the above resolution regarding pedestrian facilities in Darley Road at Danger Street, Randwick. I apologise for the delay in responding to you. Integrated Transport is currently investigating the matter for installing pedestrian facilities at the vicinity of the above intersection. We are looking to install a pedestrian refuge in Darley Road near Danger Street if it is suitable to do so. Randwick Precinct - Resolution 07082024(3) - removing spray paint road markings – “Your questions highlight the issues around line markings. The difference between spray markings and rubbish, is that rubbish is not required in the environment, so it is possible to remove at all times, unlike line markings. Many of the spray markings that you see are made by utilities companies. Utility companies (gas, water, telecommunications, etc.) generally do not make Council aware of work that they undertake, nor are they required to under legislation. The markings that are made by these companies, may or may not be required and Council may or may not be aware if they are required. The suggestion to report line markings to Council is so that Council can check whether the markings relate to Council works and if they do and the job is complete, Council can remove the marks. If the markings do not relate to Council works and have been made by a utility company and Council has not been made aware or cannot find out whether they are required, Council will have to leave the marks as they are.

6. Business arising from previous minutes:	In relation to the response from Council to Resolution 01052024(3)-regarding pedestrian crossing facilities on Darley Road at Danger Street, Randwick. Action: Carmen and Paul Chilcott to meet with Tony Lehrmann to discuss the current status further and reiterate the Precinct position that Govett St Gates should remain open and the desired pedestrian facilities
7. Cr report	None as none of the elected Councillors were present
8. Treasurer’s Report:	1 October Opening Balance: \$4,694 interest \$5.76 1 November Closing Balance: \$4,700
9. Guest Speaker	N/A
10. New Business	Noted items raised via email by Rafaela Pandolfini regarding Randwick Town centre and Sandgate cottage and the reinvigoration plans Resolution 06112024(1): Could Tony Lehrman please investigate the necessity of the No Right Hand Turn sign at the corner of Arthur St and Botany Rd as it is intrusive and impedes traffic flow and access to Randwick Junction.
11. Meeting closed:	8:08pm
12. Next meeting:	4 th December 2024 at 7pm in person at Randwick Council Chambers
